Mentor Agreement Form

Purpose of Mentorship

The Mentorship Program is designed to support medical students in their journey through medical education and professional development. Our goal is to help students develop essential skills, provide guidance, and foster a supportive network.

1. Roles & Responsibilities

- **Mentor Responsibilities:**
 - Provide guidance, support, and industry insights.
 - Respect agreed-upon boundaries and confidentiality.

- **Mentee Responsibilities:**
 - Actively participate, prepare for each session, and follow up on action items.
 - Arrange all meeting schedules and provide an agenda in advance.

2. Meeting Schedule

The mentee will be responsible for scheduling all meetings and sending reminders.

3. Confidentiality

Both parties agree to maintain the confidentiality of all discussions and information shared during the mentorship.

4. Duration- approx 1 year is recommended. At the end of this period, both parties can decide to renew or conclude the mentorship by mutual agreement.

5. Signatures

By signing below, both mentor and mentee agree to the terms outlined in this agreement.
